

## **SIETAR Forum 2008**

Veränderungsprozesse  
international tätiger Organisationen  
28. Februar - 2. März 2008 in Bonn

**Prof. Dr. Raymond Saner**

### **Director CSEND – Centre for Socio-Eco-Nomic-Development**

Born in Switzerland in 1947 and a Swiss citizen, he is fluent in German, English and French. He holds a doctorate in psychology from the Union Graduate School, Cincinnati, Ohio.

Dr. Saner has over 20 years of experience in designing and managing institution development and capacity-building projects in the public sector throughout the world. He has been a consultant to European and Asian governments, multinational companies and international organisations, including the United Nations Development Programme, the World Trade Organisation and the European Bank for Reconstruction and Development. His recent project leadership responsibilities have included the development of management training centres in Russia and institutional reform in Eastern Europe and South America. A former adjunct professor at New York University's Graduate School of Business, he currently teaches on international negotiation at the University of Basle (Switzerland), and was a visiting professor at INSEAD (France).
